Qualification Summary

Volunteer with the competition governing body since it's beginnings as the JCCA in 1996; yes, I can tell you all the different names the organization has had and the years they go with! Began coaching the Stoneworks Junior Climbing Team in 1996, and worked at the same gym as Assistant Manager, and Head Routesetter from 2001 to 2003. Head Routesetter for ClubSport Oregon from 2004 to 2007. Duties have included management of 4 routesetters, budget and inventory of routesetting equipment, maintaining safety logs and relationship with insurers, and being responsible for customer safety and satisfaction.

Professional Competition Background

Began routesetting in 1996 and set for my first Regional Championship in 1999 under Head Routesetter Tony Yaniro. Earned my National Routesetter Certification in 2001. Over the last 7 years I have worked 11 USAC National or Continental events, for Juniors and Adults, Bouldering and Sport Climbing. I have also worked countless other events of a variety of sanctioning levels. Proud to be able to deliver quality products without 3 AM bedtimes!
